# CONTENTS

## COVID-19

- 04 Global cooperation is the only way to cope with the crisis
- 06 What African farmers and processors have to say
- 08 Mitigating labour shortages – what role can mechanisation play?
- 10 Putting the emphasis on girls and young women
- 12 Building our food systems back better

## FOCUS

- 14 Africa's rapid economic transformation
- 18 Informal household enterprises in sub-Saharan Africa – livelihoods for rural transformation
- 20 Leveraging the employment potential of industries without smokestacks
- 23 Demand-driven extension and advisory services – catalysing opportunities for youth in agriculture
- 26 Skills development – what the dual approach can achieve
- 28 What works in rural (youth) employment?  
An analysis of different approaches of GIZ programmes in Africa
- 30 Africa's face of agriculture is female  
How AWAN Afrika empowers women and youth in agribusiness
- 32 Livelihoods beyond survival – the living income concept
- 34 Why East Africa chose to develop a regional bioeconomy strategy
- 36 Green urban development creates rural employment perspectives
- 39 Creating livelihoods through clean energy and agriculture

## INTERNATIONAL PLATFORM

- 42 A win-win model – urban investors finance rural agriculture  
An example from South India
- 44 Will Zanzibar's algae farmers soon be ruined?

## SCIENTIFIC WORLD

- 47 'Cellfilms' and 'Photovoice' – how visual tools can help understand farmers' adaptation to climate change
- 50 Sharing knowledge – to the benefit of all  
Scientific training and education in Thünen Institute's cooperation with Africa
