The designations employed and the
presentation of the material in this magazine
do not imply the expression of any opinion
whatsoever on the part of the Secretariat of the
United Nations Industrial Development
Organization (UNIDO) concerning the legal
status of any country, territory, city or area or
of its authorities, or concerning the
delimitation of its frontiers or boundaries, or
its economic system or degree of
development. Designations such as
"developed", "industrialized" and "developing"
are intended for statistical convenience and do
not necessarily express a judgment about the
stage reached by a particular country or area in
the development process. Mention of firm
names or commercial products does not
constitute an endorsement by UNIDO.
