

# TEA RESEARCH INSTITUTE

ANNUAL TECHNICAL REPORT YEAR 2017

## TABLE OF CONTENTS

KALRO -TEA RESEARCH INSTITUTE.....	iv
MANAGEMENT STAFF.....	v
INSTITUTES DIRECTOR'S REPORT.....	viii
STAFF TRAINING / WORKSHOPS / SEMINARS/ SYMPOSIA / FELLOWSHIPS/ TRANSFERS.....	xii
LIST OF PUBLICATIONS.....	xii
VISITORS TO TEA RESEARCH INSTITUTE DURING THE YEAR 2017.....	xv
CROP IMPROVEMENT AND MANAGEMENT PROGRAMME.....	1
TEA BREEDING AND GENETIC IMPROVEMENT (TBGI) SECTION.....	1
TEA IMPROVEMENT INVESTIGATIONS.....	1
<i>Breeding experiments</i> .....	1
TRI/CIM/TBGI/BREED/1a: <i>Breeding for potential in combined yield and black/green tea quality</i> .....	2
TRI/CIM/TBGI/BREED/1b: <i>Polyploidy breeding</i> .....	3
TRI/CIM/TBGI/BREED/1c: <i>Breeding for pest resistance</i> .....	3
TRI/CIM/TBGI/BREED/1d: <i>Breeding for tolerance to environmental stress</i> .....	4
TRI/CIM/TBGI/BREED/1e: <i>Breeding for green tea varieties</i> .....	4
<i>Clonal Field Trials</i> .....	6
<i>Clonal Adaptability Trials (Participatory Clonal Field Trials)</i> .....	19
TRI/CIM/TBGI/CFT/OP/KANGAITA/2011.....	19
TRI/CIM/TBGI/CAT/TIMBILIL/2011.....	21
MOLECULAR INVESTIGATIONS.....	29
Genetic Markers.....	29
TRI/CIM/TBGI/GENET 3b: <i>Detection of genetic diversity in tea using molecular markers</i> .....	29
TRI/CIM/TBGI/GENET 3b: <i>Tea genotyping by sequencing project</i> .....	30
TRI/CIM/TBGI/GENET 3c: <i>Tea and its related species</i> .....	32
TRI/CIM/TBGI/GENET 9: <i>Mutation Breeding</i> .....	43
TRI/CIM/TBGI/GENET 3d: <i>Influence of regulated shade on yield and quality of tea</i> .....	46
Biotechnology Studies.....	48
TRI/CIM/TBGI/GENET 2: <i>Tissue culture studies in tea</i> .....	48
TRI/CIM/TBGI/GENET 2: <i>Integration of a low cost media for in vitro micropropagation in tea</i> .....	49
TRI/CIM/TBGI/GENET 2: <i>In-vitro technology for mutation breeding in tea</i> .....	49
INTEGRATED PESTS AND DISEASE MANAGEMENT SECTION.....	51
Pest and Disease Management and Ecology.....	51
TRI/CIM/IPDM/SURV/ 1: <i>Pest and disease surveillance</i> .....	51
TRI/CIM/IPDM/ENT/7c: <i>Integration of fertilizer Regimes, Selective Insecticides and Predacious Mites for the Management of Tea Pests in Kenya</i> .....	52
TRI/CIM/IPDM/PATH/18(e): <i>Integrated management of Armillaria root rot at Gicheha Farm Ltd, Gakoe Tea Estate, Kiambu County</i> .....	54
TRI/CIM/IPDM/PATH (g): <i>Evaluation of Trichotech WP (Trichoderma asperellum 8x10<sup>9</sup>g) on the control of Armillaria Root Rot of Tea (IN VITRO Tests)</i> .....	56
WEED INVESTIGATIONS.....	60
SUSTAINABLE ECOSYSTEM MANAGEMENT & CONSERVATION.....	64
<i>By John K. Bore, Kibet Sitienei, Karl Nyabundi, Rhoda. C. Rutoh and Wyclife A. Oluoch</i> .....	64
SOIL FERTILITY, PLANT NUTRITION AND FERTILIZER USE SECTION.....	64
TRI/SEMC/CHEM 7F: <i>Long-term response of seedling tea to high rates of NPK fertilizer, Timbilil Estate, Kericho</i> .....	64

TRI/SEMC/CHEM 36F: <i>Effects of long intervals of nitrogen fertilizer application and prunings mulch on the yields, nutritional status and quality at two sites</i> .....	65
TRI/SEMC/CHEM 12F: <i>Comparison of response to rates of nitrogen fertilizer by four different clonal teas, Timbilil Estate, Kericho</i> .....	66
TRI/SEMC/CHEM 21F: <i>Effect of plant population and nitrogen fertilizer rates on clone AHP S15/10 tea, Timbilil Estate Kericho</i> .....	67
TRI/SEMC/CHEM 11F: <i>Root studies and nutrient contents of clonal tea plants at Timbilil Estate</i> .....	68
HORTICULTURAL INVESTIGATIONS.....	104
TRI/SEMC/CED 13: <i>Effect of plucking frequency and nitrogen rates on the components of yield of clones EPK TN 14-3 and TRFK 56/89</i> .....	104
TRI/SEMC/CED 18: <i>Effects of shade tree species on yield in Timbilil Estate</i> .....	106
ENVIRONMENTAL INVESTIGATIONS .....	110
TRI/SEMC/CED 24: <i>Development, implementation and monitoring of the TRI Environmental policy to ensure conformity to EMCA, 2015</i> .....	110
TEA PRODUCT DIVERSIFICATION AND VALUE ADDITION .....	116
TEA PROCESSING, VALUE ADDITION, AND TEA AND HEALTH PROJECT .....	116
TRI/TPVA/FS1: <i>Tea alcoholic beverages</i> .....	116
TRI/TPVA/FS/23: <i>Development and profiling of biochemical composition, food values flavour profiles for teas developed specialty teas from selected tea varieties</i> .....	120
TRI/TPVA/FS/13: <i>Specialty teas (Puerh tea, Yellow tea, Brick tea, Silver tip tea)</i> .....	122
TRI/TPVA/FS/19: <i>Packaging and profiling of KALRO-TRI teas for value addition</i> .....	124
TRI/TPVA/BIOC/003: <i>Anthocyanin content in purple tea leaves</i> .....	125
TRI/TPVA-CIM/BIOC 005: <i>Quantitative trait loci mapping in tea</i> .....	126
ECONOMICS, FIELD ADVISORY AND CORPORATE COMMUNICATIONS.....	136
FIELD ADVISORY .....	136
TRI/EFACC/FA/1: <i>Visits and visitors</i> .....	136
TRI/EFACC/FA/2: <i>Field/Open Days/Shows</i> .....	138
TRI/EFACC/FA/4FA/3: <i>Training/courses/symposia/seminars</i> .....	139
TRI/EFACC/FA/5: <i>Demonstrations</i> .....	140
TRI/EFACC/FA/6: <i>Publications</i> .....	140
<i>Objectives</i> .....	141
SOCIO-ECONOMICS .....	141
TRI/EFACC/SOECO17/02: <i>Socio-Economic studies</i> .....	141
APPENDICES.....	145
