ANNALS OF
TROPICAL
RESEARCH

VOLUME 41 NO. 1 JANUARY - JUNE 2019

INTERNATIONAL SCIENTIFIC JOURNAL

Published by the Visayas State University, Baybay City, Leyte, 6521-A Philippines

ANNALS OF TROPICAL RESEARCH

VOLUME 41 NO. 1 JANUARY - JUNE 2019

CONTENTS

- 1 **Isolation and identification of bacteriocin-producing lactic acid bacteria from plants in Mount Makiling Forest Reserve, Philippines**
Emil C. Lat, Francisco B. Elegado and Ida F. Dalmacio
- 16 **In vitro molluscicidal activity of wormwood (*Artemisia dubia*) leaves against *Oncomelania hupensis quadrasi***
Charles Jardian C. Alinsub and Melvin A. Bagot
- 24 **Extrapolating the bypass potential of treated *Madre de agua* (*Trichanthera gigantea* Nees) leaf meal as protein source in Rumen-Fistulated Brahman Cattle**
Angelo Francis F. Atole and Lolito C. Bestil
- 32 **Indications of enhanced soil ecosystem functions in polyculture reforested grassland**
Angelica P. Baldos and Roland V. Rallos
- 45 **Folk Beliefs and Practices of Bagong (*Amorphophallus* sp.) Farmers in San Roque, Northern Samar**
Rhodora Abalajen-Bande and Michael Carlo C. Villas
- 63 **Response of lowland rice (*Oryza Sativa* L.) NSIC Rc82 to nutrient management strategy grown under the main and ratoon crop production management systems**
Dionesio M. Bañoc and Victor B. Asio
- 81 **Influence of environmental disturbances on the bacteriological quality of Pagbanganan river in Baybay City, Leyte, Philippines**
Jayzon G. Bitacura
- 92 **Response of an endangered dipterocarp tree species to nutrient addition in a problematic soil**
Johannes Reiner G. Asio and Marlito Jose M. Bande
- 102 **Quality and acceptability of burger patty as influenced by the levels of mung bean (*Vigna radiata*) flour as meat substitute**
Clarita E. Morbos, Melogen Bandalan, Gina M. Gonzaga, Eliza C. Cabugawan and Lorina A. Galvez

ANNALS OF TROPICAL RESEARCH

VOLUME 41 NO. 1 JANUARY - JUNE 2019

CONTENTS

- 118 Effects of selected fruit development factors on the quality and acceptability of vacuum-fried EVIARC sweet jackfruit (*Artocarpus heterophyllus* Lam.) pulp
Roberta D. Lauzon, Lorina A. Galvez, Felix J. Amestoso and Jennelyn P. Vinculado
- 134 Physicochemical qualities of stored fresh cut EVIARC sweet jackfruit (*Artocarpus heterophyllus* Lam.) pulp as influenced by deseeding, packaging method and storage condition
Anne Gellie P. Pablo, Lorina A. Galvez, Roberta D. Lauzon and Yan Diczbalis
- 155 Instructions to Authors
